

SHEBBEAR COLLEGE

Job Description: Teacher of Science

Reporting to: Head of Science and Environmental Studies

Generic Teacher Job Description

- Develop lesson plans which meet established school and exam board models
- Adapt and reassess lesson plans to meet specific pupil needs, comply with newly implemented guidelines or rules, and update relevant information and include new developments in education
- Manage the diverse ability levels of pupils
- Adapt curriculum to fit pupil needs while maintaining overall class progress
- Possess and continually develop working knowledge of the subjects taught and methods of proving progress
- Assess and record pupil progress and development, while identifying problem areas and areas which need attention and improvement
- Provide a safe, positive learning environment for pupils
- Communicate with any and all other staff members who engage with pupils
- Communicate with parents as per school guidelines on a regular basis, including the completion of pupil progress reports and informing parents of requisite pupil discipline
- Attend at least one parent consultation evening per year group each academic year
- Complete appropriate UCAS/higher education/apprenticeship references for pupils
- Maintain positive working relationships with pupils in line with the school's behaviour management policy
- Provide pastoral care and promote progress for pupils in a tutor group
- Contribute to house events, embrace and promote a positive house ethos
- Undertake three after school co-curricular activities each week
- Show a commitment to continuing professional development
- Attend and contribute to INSET prior to the start of each term
- Be available on public exam results days in the summer holiday to support pupils and advise colleagues
- Promote your subject beyond the regular classroom curriculum including trips, visiting speakers and competitions as appropriate
- Attend and contribute to twilight whole school, faculty and house meetings
- Attend whole school break time briefings twice a week
- Undertake regular weekly duties as directed by HsM and/or Deputy Head
- Commit to at least ten Saturday/Sunday duties across the school year
- Contribute to the marketing of the school through whole school and year group specific open mornings, information evenings and events
- Check all public examination entries in collaboration with Head of Faculty
- Any other reasonable request from the Head or Deputy Head

In addition the responsibilities of the Teacher of Science are:
